## The Parable of the Workers

The kingdom of heaven is like a landowner who went out early to the marketplace to hire workers for his vineyard. The workers agreed to be paid a denarius for the day.

Copy the squares to draw the landowner.

Definition: Denarius – a coin equal to a day's pay for a laborer.

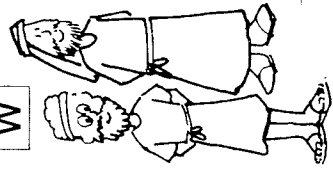

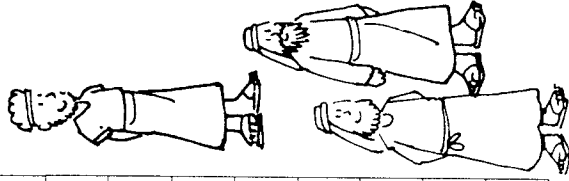

The vineyard owner went out to the marketplace at the 3rd, 6th, 9th and 11th hours also. Each time he hired the men who were standing there waiting for work.

What happened at the end of the day?

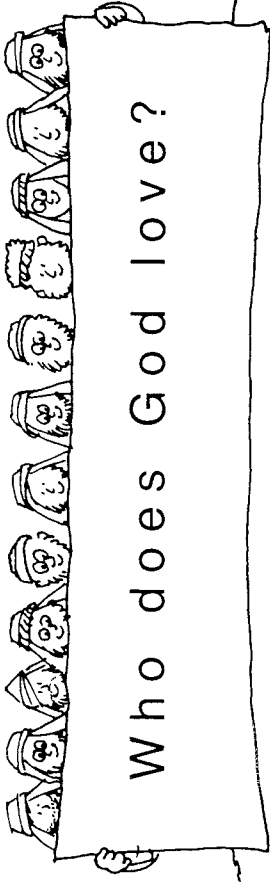

First write all of the 1's on the lines. Then the 2's, followed by the 3's.
